
$$$ BANKING $$$
Starting October 6, 2009

Our students have a wonderful opportunity to participate in a banking program right here at school! The "School Savings" national program is sponsored locally by Dean Bank in Franklin. It's a great way for our students to learn the value of saving money.

Starting in kindergarten our children are able to build savings skills which help them meet financial goals. All students in grades K-8 are encouraged to participate in the savings program. This is a great opportunity for our children to save for something that is important to them such as middle school field trips, college or even an ipod!

$$

Parent volunteers are needed

Volunteers are needed to help run the program at school. Duties include assisting the 5th grade students with deposits and cash draw settlement. This is a great opportunity to ease into volunteering and get to know the school. This can be a minimal time commitment.

$ Day: Tuesdays
$ Time: 8:45am to 9:30 am
$ Frequency: once a month, bi-weekly or weekly
