

## HELLO TO ALL MY NEW STUDENTS AND FAMILIES!

### Summer 2010

Welcome to second grade! I can't wait to meet and get to know all of you in the fall. Second grade is such an exciting year and I really love teaching this age group. I just had a few things that I wanted all of my students to bring with them to school so that we can move right into all the great learning that is in store for us!

Academic supplies include:

- one spiral-bound notebook inside a 3-ring binder (1.5 in. is best))
- 100-page (minimum) composition book
- one pack of colored pencils (12 is fine)
- 5 number two pencils with erasers
- one small (around 8" x5") pencil case to fit in desk
- 2 two-pocket folders
- one durable (must be plastic) folder for homework and school communications, to go back and forth from school and home each day.
- one individual pencil sharpener without batteries

Other classroom supplies: (please bring just one item from the list below)

- box of tissues
- roll of paper towels
- chlorox cleaning wipes (no bleach)
- baby wipes
- anti-bacterial hand gel (like germ-x)
- individually wrapped snacks (like goldfish or popcorn)

Thank you so much for your help in collecting these supplies. We will make use of them all year long.

Have lots of fun and make some great memories with the rest of your summer...see you in September!

Sincerely,  
Mme. Trotin
