

Benjamin Franklin Classical Charter Public School

2009-2010

Blanket Permission for Field Trip Medication

This permission allows the teachers/ teachers' aids/ of your student to administer the prescribed daily medication (s) to him/her during all school field trips if a field trip nurse is not available.

This permission also covers the administration of Epi-pen and Benadryl by trained school personnel to students with known severe allergic reactions during all school field trips when a field trip nurse is not available.

You will be notified of all field trips as they occur, however by signing here at the beginning of the school year you will not be required to sign repeated permission slips.
