

## **LIBRARY VOLUNTEERS NEEDED!!**

**Parent volunteers are needed to assist during their child's library class. This is a fun opportunity! Duties include checking in the children's books, writing up overdue notices, checking books out and re-shelving the returned books. If you are interested in volunteering please be aware there will be a mandatory training session. I am looking for four parents from each class who can volunteer once a month for the entire year. Please email me at [thass@bfccps](mailto:thass@bfccps) if you are interested, or drop this paper off in the main office. You may contact me with questions: 541-3434 x130. Thank You!**
