**Re: Physical Examination Record**  
**Date: August, 2011**

Dear Parents:

In order to comply with Massachusetts General Law Chapter 71, Section 57, Ben Franklin Classical Charter School requires all students enrolled in **5th and 7th grade** to present evidence of a current physical examination. You can have this done anytime between June 2010 and June 2011.

I ask that you kindly take a moment to let me know when your student will have this physical examination. If your student is due for an annual physical examination in Spring 2011, **please indicate this at the bottom of this letter and return it to me**, thereby avoiding future inquiries on my part. In this case, please enclosed a copy of the physical from the previous year (10-11). If the physical examination is, however, scheduled over the summer months, please make sure that I receive a copy of it to meet state requirements.

Although no immunizations are required for entry to grade 5, age 12 or entry into seventh grade requires a second **MMR**. The Massachusetts Department of Public Health's recent changes for immunization requirements include **2 doses varicella (chickenpox) vaccine, 3 doses Hepatitis B vaccine and one booster dose of TD (if it has been 5 years since the last DTP ) for entry to grade 7.**

Thank you for your cooperation. If you have any questions/or concerns, please do not hesitate to get in touch with me at 508-528-1945

Sincerely,

Anna Ng, RN  
School Nurse
