Meeting began at 7:10pm

Gail greeted the group and recapped what was done at the January meeting.

The group reviewed the Classical Education document drafted by Anna. A variety of edits were identified. The group agreed that the terminology should be kept simple. The defining principles were reviewed in detail. Anna will update for the next meeting.

Next the group reviewed the Parent Enrichment Council proposal. Again, edits were identified and Anna will make changes for the next meeting.

For the April meeting, the defining principles for the Parents as Primary Educator pillar will be prepared by Anna. Gail and David will prepare the defining principles for Character Education and Community Service.

The group was asked to think about what additional curriculum offerings BFCCPS may offer as part of its classical education pillar. This will be discussed at the May meeting.

The next meeting is scheduled for April 28, 2010, at 7:00pm.

Meeting adjourned at 8:45pm.
