HOS Report

The enrollment software that was developed for BFCCPS by two parents has had a setback. While enrollment information has been input into the software, access to the database for changes is not possible. HOS is looking into an alternative program with Admin Plus.

Heather presented the MCAS results to the BOT through four different data spreadsheets:

1. Grade Level Comparison of MCAS Scores: 2007-2013
2. MCAS Percentage Comparison: BFCCPS vs. MA 2012-2013
3. Longitudinal Comparison of BFCCPS MCAS Scores (2008-2013)
4. BFCCPS MCAS Score Rankings (State)

Overall the results are fantastic for BFCCPS. Heather highlighted a few areas in the results.

- a. 3rd grade 92% in ELA & Math
- b. 4th grade 82% in ELA and 92% Math
- c. 8th grade at 100% for three years in a row
- d. 7th grade is low but this is a transition year and 7th grade is low across the state.

Treasurer's Report

Action Register

Was updated by Mary.

Annual Appeal Letters

The annual appeal letter to parents and guardians was worked on and a version was agreed upon in form. However, the final version will be made by Mary and Sagar and distributed to the BOT for final approval before it is copied and mailed to the community. Once the wording for the body of the letter is agreed upon, it will be inserted into the other annual appeal letters to faculty, staff, and alumni.

Faculty Representative

Because the first FIT meeting is next week, not much to report. The faculty is very excited about all the happenings of the BOT and looking forward to their involvement going forward. Various "Research Teams" are slated to be formed including a compensation team to look into various compensation strategies and "BFCCPS model teacher" team to look what our staff will look like as our school grows.
